Na Hale O Maui

Dear Honorable Council,

Na Hale O Maui is an amazing program that helps many local residents afford the almost impossible dream (as of late) of owning a home. It doesn't look like things are getting any easier for the hard working, low to middle class family. With covid, rising fuel prices and suchlike it's getting harder and harder to afford the basics like rent and necessities. This program and or others like it need to flourish in times like these to give hope to our community.

Na Hale O Maui helped me and my family live conveniently in town close to schools, our other family and work. Not only that it gave us a place to call home, somewhere where we can be safe knowing that we have a roof we can call ours over our heads at night. Without Na Hale O Maui we most likely would've moved to the mainland or still be living in one of our parents houses where we would not have any space to grow.

Na Hale O Maui is a life changer, one that we and other families were blessed with and hopefully many more families will be blessed with for years to come!

Mahalo for your time and understanding!

Sincerely,

Alex Iwamoto and Ohana
