Re: Please Grant of 18 Lots in Central Maui to Housing and Land Enterprise of Maui, dba Na Hale O Maui

Dear Honorable Council,

We ask that you please support Na Hale O Maui's request for the Grant of 18 lots in Central Maui, for the purpose of building homes for low- and moderate-income workforce households who have completed the Na Hale O Maui 4 Step Program.

My husband Herb and I want you to know that Na Hale O Maui changed our lives for the better. NHOM acquired land and built affordable homes that my husband's a senior on limited income and me, a person with medical disabilities on Social Security Disability Income could afford one of the Lahaina NHOM houses to make our safe life in our home.

- Now we own a home a truly affordable home.
- We live near our part time workplace, volunteer communities, and chosen families.
- Have the local children attend school closer to home and their parents' work.
- We are safe and secure because we can pay for our home for the rest of our lives. Not under threat of eviction by a landlord raising the rent on our limited income.
- And NHOM houses, are solidly built houses made to last, intelligently designed, with great appliances, are beautiful and comfortable.

We have only thanks and praise for Na Hale O Maui (NHOM). We want more families to feel at peace, secure in their well-built own NHOM homes. To be able to relax and spend time with their families not stressed out by too high mortgages or too long commutes.

Please grant NHOM the 18 lots and other land or lots on Maui to give working and aging families a better life with an affordable NHOM Home sweet Home.

Thank you for your help and service,
Juliet DiGiovanni & Herbert Phillips
